

FIBERGLASS STRUCTURES LIMITED WARRANTY

Subject to the conditions and limitations listed herein, Home & Leisure, Inc. (hereinafter "HLI") warrants its fiberglass structures to be free from material defects in workmanship and materials when subject to normal and proper use.

This warranty extends only to the original purchaser. This warranty does not cover the cost of installing any product, the cost of removing or disposing of any product, or the cost of installing any replacement product furnished under the terms of the warranty.

The lifetime coverage of this warranty only covers products used on residential property where the owner resides, during the owner's lifetime. The warranty period for products installed on property that is not residential property where the owner resides, including but not limited to schools, condominiums, apartment buildings, and rental property - or on property owned by other owners including but not limited to corporations, government agencies, partnerships, trusts, religious organizations, and cooperatives will be thirty (30) years following the installation of the products and is limited to the original owner (non-transferable).

- Any lack of compatibility between our products and any other product not manufactured by us that causes damage to or failure of our products
- Labor, transportation, or installation costs

If the original product is not available, we retain the right to choose to provide replacement material of equal value or quality.)
- Damage caused by, among other things, weathering, oxidation, mold, mildew, settling of the building, failure of the structure (including foundations and walls), use of incompatible accessories, fire, flood, lightning, ice, wind-borne objects, earthquake, hurricane, sun, cyclone, gale, tornado, weather of a catastrophic nature, acts of God, intentional acts, unreasonable use, misuse, physical abuse, vandalism, riot, insurrection or civil disorder, accidents, or corrosive atmospheres (such as those contaminated by acid rain, harmful chemicals, or vapors)
- Color change due to weathering that is even and equal when exposed to the same or similar sunlight and other environmental conditions is excluded from the warranty because weathering will cause any colored surface to gradually lighten, darken, chalk, or accumulate dirt or stains (the severity of these conditions depends on air quality, the geographic location of the property, and other local conditions over which HLI has no control)
- Other defects not caused by HLI
- Ordinary wear and tear
