Trex Pergola in Gravel Path & Classic White

---

Add a customizable pergola to your sun-soaked space and get a shady, sturdy retreat that won't crack, rot or chalk. Designed to meet the most demanding requirements of any residential or commercial environment, Trex Pergola is enduring and virtually upkeep-free.

---

Trex Pergola with ShadeTree® Canopy offers the ultimate in outdoor living comfort. A strong, beautiful structure with a proven retractable fabric shade system that installs easily and is low maintenance.

The ShadeTree Canopy is offered in either AirFlow Mesh fabric or 100% solution-dyed acrylic fabrics.

Patio, deck or poolside, Balance will turn an outdoor living area into an oasis.

Featuring a unique floating frame and manually retractable canopy, this modern structure offers the perfect amount of shade coverage or sun exposure. Whether you're entertaining or catching up on a good book, Balance expands your outdoor lifestyle.

WALL PERGOLA

Wall Pergola in Classic White

---

Wall Pergola has the same elegant design as the original Trex Pergola, and can be custom manufactured to fit over just about any entryway or window on your home.

Whether you're looking to add some dimension to the front of your garage or a little shelter while you pause to unlock your door, Wall Pergola is the easy-to-install solution. Wall Pergola also functions as a practical sunscreen when trying to cut down on interior heat transfer.

# FINISHES

Cellular PVC Trex Pergolas come standard with a smooth matte white finish that is ready to provide many years of carefree enjoyment and beauty. They may also be finished with our exclusive ColorLast finishing process for an additional cost. ColorLast allows you to coordinate your shade structure with decking and railing, or any other outdoor living element in your design.

Aluminum Trex Pergola models are finished using a proprietary powder coat finishing process. This ultra-durable finish provides structures with superior durability and color retention delivering a finish that will stand the test of time. With a variety of rich colors, including metallics and micas, your shade structure will stand out from the rest.

# COLUMN SELECTION

Our selection of fiberglass columns, for cPVC Trex Pergolas, complement a wide variety of architectural styles.

Columns come standard in our ColorLast painted finish or may be custom painted to match any color.

Beauty, Privacy and Dimension. Trex Lattice helps to create the perfect finished look using premium cPVC decorative lattice panels.

Decorative patterns, available in 1/4", 1/2", 3/4", and 1" thicknesses, add beauty, privacy and dimension to any deck, porch or outdoor room without blocking airflow.
